The California Public Utilities Commission (CPUC) will hold public meetings to obtain community feedback regarding implementation of an area code overlay for the 310 region in place of an area code split.

Cingular, Nextel, SBC, Sprint, T-Mobile, Verizon, and Verizon Wireless have filed a joint petition with the Commission to modify Commission Decision 00-09-073, which authorizes the North American Numbering Plan Administration to split the 310 area code when the Commission determines that an area code change is necessary due to number exhaust. The joint carriers request that the Commission modify its decision and adopt a triggered overlay for the 310 area code instead of a split. The companies propose that the overlay triggers when only six prefixes remain in the 310 area code. Currently eight prefixes remain.

If an overlay plan is adopted, consumers in the 310 area code would need to dial "1" and then the 10 digits of the telephone number to make a local call. An overlay plan, however, would allow all business and residential consumers to retain their existing telephone numbers.

If special arrangements are needed, such as sign language or foreign language interpreters, please contact the CPUC Public Advisor's Office at 415-703-2074 or toll-free 1-866-849-8390 or TTY 415-703-5282 or 1-866-836-7825, or by email at public.advisor@cpuc.ca.gov at least three days in advance of the event.

The Commission may vote on this resolution at that time, or it may postpone a vote. The Commission may adopt all or part of L-316, amend or modify it, or set it aside and prepare a different resolution.

On April 4, 2005, the draft resolution was circulated to the requesting parties including the subject utility, Southern California Edison Company, pursuant to Public Utilities Code Section 311(g) and Rules 77.7 and 81 of the Commission's Rules of Practice and Procedure. Interested parties may review the draft resolution and service list at the "Currently Open for Comment" section of the Commission's Internet site at cpuc.ca.gov.

The Commission will consider the draft resolution at its May 5, 2005 meeting. Interested parties may file comments on the draft resolution, and may file replies to comments. 4/19/05 R04-04-003 Order Instituting Rulemaking to promote policy and program coordination and integration in electric utility resource planning.

Summary: On April 14, 2005, Ed Guiles, Chairman and Chief Executive Officer of San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas), met with Pres. Peevey in San Francisco. Julie Fitch, advisor to Pres. Peevey, attended the meeting via videoconference. Also present were Debbie Reed, President and Chief Operational Officer, and Lee Schavrien, Vice President of Regulatory Affairs, for SDG&E and SoCalGas. Guiles discussed the January 28, 2005 ruling regarding potential reallocation of the existing Department of Water Resources (DWR) contracts, including the possible reallocation of the Sempra Generation contract to Southern California Edison Company. Guiles explained that SDG&E opposes this allocation. Reed described SDG&E's 'minimalist' alternative allocation proposal. Schavrien added that SDG&E's minimalist proposal would resolve several issues in this docket as well as the DWR cost allocation proceeding.

4/19/05 R02-01-011 Order Instituting Rulemaking regarding the implementation of the suspension of direct access pursuant to Assembly Bill 1X and Decision 01-09-060.

Summary: On April 15, 2005, Scott Blaising, counsel for the California Municipal Utilities Association (CMUA), had a telephone conference with David Gamson, advisor to Cmmr. Brown; and left a follow-up telephone message for David Gamson. Also participating in the telephone conference were Joy Warren, counsel, and Chris Mayer, Assistant General Manager, for Modesto Irrigation District, Ann Trowbridge, counsel for Merced Irrigation District, and Susie Berlin, counsel, and Bob Hedrick, Regulatory Counsel, for the Northern California Power Agency. Written material (attached to the notice) was referenced in the follow-up telephone message and subsequently e-mailed to David Gamson. Blaising discussed CMUA's petitions for modification (PMs) seeking clarification of various cost responsibility surcharge (CRS) issues related to municipal departing load (MDL). Blaising described CMUA's position to three key issues. Warren, Trowbridge and Berlin expressed support for CMUA's position on these issues, in particular for the conclusion that all New MDL located in the geographic areas covered by PG&E's bypass report is excepted from CRS. The parties urged the Commission to consider the supporting arguments in the pending PMs.

Summary: On April 14, 2005, John P. Hughes, Regulatory Operations Manager for Southern California Edison Company (SCE), met with Teresa Cho, advisor to Cmmr. Grueneich, in San Francisco. Written material (attached to the notice) was used. Hughes stated that, although the proposed decision (PD) was generally acceptable to SCE, there was a problem with the language addressing the Franchise Fee and Uncollectible (FF&U) discussion in the PD. Hughes recommended that all language on the FF&U matter be removed from the PD. With that correction, Hughes urged that the Commission vote out the PD at its April 21, 2005 meeting.
